Your Partner for SAFETY

Company Profile

About us

Marshall Fire & Rescue Services (MFRS) was established and registered in 2015 with its main office located Mumbai.

Over the past few years, MFRS has become a renowned name among Fire & Safety companies. We have a dedicated team working throughout to provide all necessary fire & Safety training and other activities as per Indian & International Standards.

We have accumulated a strong and healthy market trust through a satisfying Service attitude embedded in our blood.

Our Never Say NO attitude has made us a favourable company in Fire & Safety supply industry.

Vision

- To reach out each Organisation and educate the need of safety in their premises.
- To develop Clients as a highly trained and efficient team of Fire and Safety personnel, ready for anything that may occur during the unfortunate Emergency events.
- Ensure each Organisation, in the vicinity where we penetrate and exist, is **Fire & Safety Assured** (prepared). Equip and prepare our clients to manage & minimize the losses during any unfortunate mishap or event.

Mission

- Our prime objective is a commitment to the highest quality customer service.
- Client satisfaction is another crucial effort, achieved through quality yet cost effective solution.
- We will lead the Fire & Safety industry.

Mission

Values

We constantly strive to

- Provide high-quality, yet affordable solutions
- Create and cultivate long-term relationships with clients
- Instant respond to the changing needs of our clients
- Achieve complete customer satisfaction
- Improve our services continuously

At MFRS, there are several values which we hold in high regard, and we expect these values in every member of our team.

These values are honesty, fortitude, reliability, integrity and temperance. We believe that these values will definitely set us a step above the rest and allow our team members to offer a quality service in a very professional and efficient manner.

Values

What makes us different?

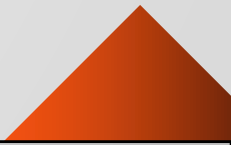

Customer service and training are real problems for the security industry, and our company aspires to raise these to new heights, requiring extremely strict training requirements and providing excellent & fast customer service with less turnaround time.

At MFRS every person is a team player, with the expectation and need that they perform their duties to their fullest capacity and potential.

MFRS is always open to fresh ideas and we are always looking at new ways to improve our operations and, in the process, your SAFETY. We subsequently invest heavily in to our staff's training, support, supervision, and personal development.

Finally, MFRS difference is in our ATTITUDE. In every interaction with you, our single purpose is to forge a relationship exceeding all of your expectations.

We aspire to deliver our best in each Service we provide
